Benefits of *I LOVE* DISNEY

- **I LOVE DISNEY** is the most anticipated promotion on **104.1FM** – thousands of listeners are tuned in and ready to participate
- According to independent research by the Systematic Media Survey in November 2013, **104.1FM** reaches an audience of middle to upper level income earners; the demographic includes both male and females listeners where there are slightly more females tuned in; the age demographic is 21 to 45 year olds
- All Starcom Network promotions are cross-promoted which means that not only do you get
  104.1 FM but you get access to **HOTT 95.3, VOB 92.9** and **Life 97.5 FM** listeners
  (where applicable)
- Apart from on-air commercials, **I LOVE DISNEY** will benefit from promotion via:
  1. *Announcer driven points of banter*
  2. *Digital media promotion (facebook and the website)*
  3. *Placement of full page newspaper ads*
- Reach a wide audience – about 50% of the active radio audience are listening to a station of the STARCOM Network right now!
- **I LOVE DISNEY** will be featured in on-air radio commercials, some print coverage and pre-recorded on-air and video features to update our listening audience and our on-line viewer/listeners on what's happening - all featuring your brand! A value of over **$50,000!!**
